

## A Closer Look at Your Region

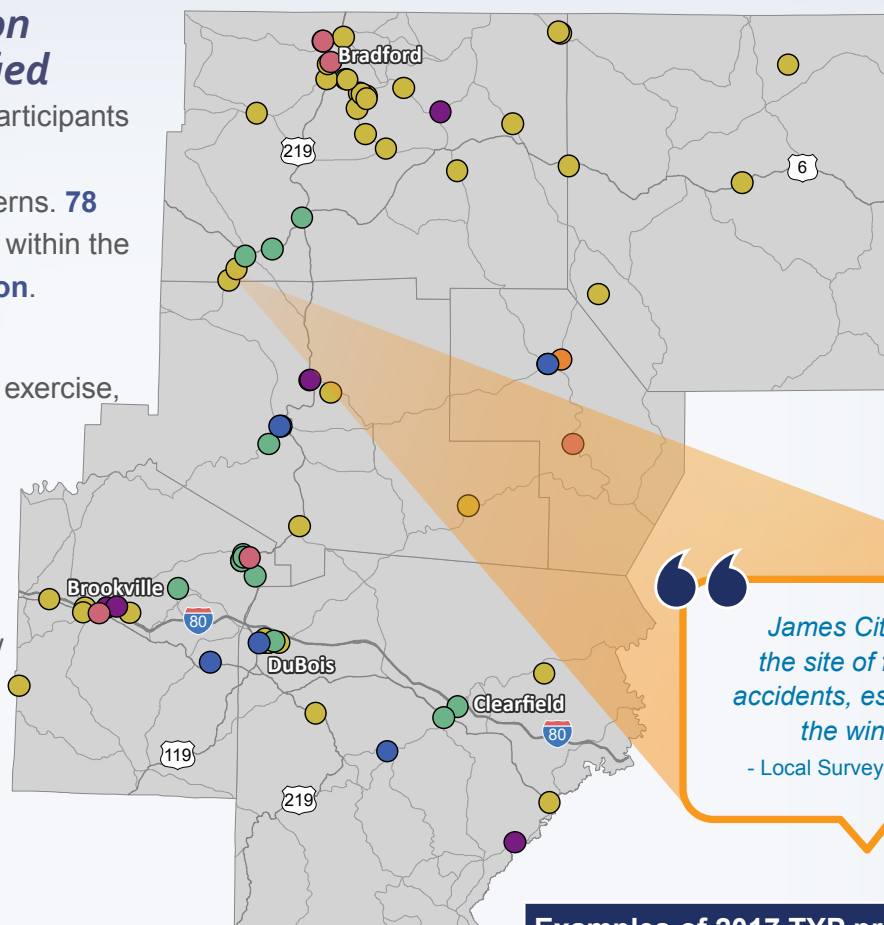

The State Transportation Commission's six-week public comment period for the 2019 Twelve Year Program (TYP) Update began in March and concluded in April 2017. During the comment period, the public had the opportunity to take an online survey and participate in an online public meeting. All public feedback received was analyzed to better understand public priorities and transportation trends.

State Transportation Commission  
2019 Twelve Year Program Update

### Transportation Issues Identified

Statewide, survey participants mapped over **3,500** transportation concerns. **78** of these are located within the **North Central region**.

During the mapping exercise, some discovered their concerns were already addressed by projects on the 2017 TYP. See the map and data below for more details.

*James City Hill is the site of frequent accidents, especially in the winter...*
